

The logo is a wide, horizontal banner with a light beige background and a thin magenta border. The banner has a slight 3D effect with darker beige shading on the top and bottom edges. At each end of the banner, there is a stylized, dark brown, three-dimensional structure that resembles a folded piece of paper or a wing, also outlined in magenta. Centered on the banner is the text "SV-Bunker" in a large, bold, black, blackletter-style font.
